

Beth Arnone

Hi! My name is Beth Arnone. I would like to tell you a little bit about myself both personally and professionally. What I am most proud of in my life is that I am a mother of 4 beautiful daughters and grandmother of 4 wonderful little grandsons.

I enjoy being with family, and friends: traveling, decorating, rearranging my town home and other peoples' living spaces. I love Starbuck's Venti 7 pump-no water Chai, thank you very much! It gives me the energy I need to keep up with the children. All joking aside, what I truly enjoy is working and playing with young children. I find them refreshing and very open-minded. They have a love for learning and are so very uninhibited which makes for wonderful experiences each day.

I have taught at Montessori schools for 12 years and previously at traditional preschools for 4 years. I combine both methods in my classroom.

I have a classroom of 12 children, ages 2 through 3 years of age. I am preparing them for the Early Childhood class. We strive for a homelike atmosphere and one that gives children a safe, loving environment, and yet provides freedom with limits. Children thrive on an open, structured and challenging atmosphere.

I am currently working towards an Associates Degree in Early Childhood to further my education.
