

Gerry Washburn

My family and I have lived in Los Alamos for the past 27 years. When we first moved to Los Alamos I worked for Los Alamos National Bank as a vice president of lending. Next I owned and operated a local business for 10 years, Film Festival. As our children grew, I became involved in coaching YMCA basketball, which led to a 24 year coaching and teaching career with Los Alamos Public Schools. Those early years of coaching led me to the realization that working with children was what brought meaning and purpose to my life.

During the 10 wonderful years that I taught at Mountain Elementary I worked with the Volunteer Task Force developing outdoor science programs and helping rebuild local trails. During this time I received my Master's Degree in Educational Administration and I am currently pursuing a doctorate in Educational Leadership. My first position as an administrator was as an assistant elementary principal with Pojoaque Valley Schools. Since then I have been an assistant principal at Los Alamos Middle School and for the past 3 years Principal of Mountain Elementary School.

Our three daughters all attended Los Alamos Public Schools from Kindergarten through 12th grade. Our son is a Junior at Los Alamos High School. My wife, Audrey, and I are the proud grandparents of five wonderful, brilliant, extremely energetic grandsons, four of which attended Sage Cottage. In short, our family has made Los Alamos our home and I am committed to helping keep Los Alamos a safe and positive place where families can work, play, live, and learn.
