

Kim Roberts

Hola, my name is Kimberly Roberts, I was born and raised in a small town in Mexico, I fluently read, write, and speak Spanish. I will be attending Northern NM Community College to continue my education in Early Childhood Ed. Which I am extremely excited about. I have recently obtained my First Aid/CPR training, Equality for All course, 45 hr Early Childhood classes as well as credits from PSU for an NAEYC annual conference and teaching Expo.

It's amazing to see all the children's personalities come together to make our classroom so lively and energetic. I am very giving in nature and love to fill in the gaps with my love and kindness. Teaching these wonderful children brings so much joy to my heart! 😊

I am fortunate to work with Mrs. Nikki in the Transition room. She has a huge heart and is wonderful to work with.
