

Board Member

Malcolm Host is a retired Social Worker who spent his life dedicated to Early Childhood programs. He was on the committee that started the National Head Start programs in the 1960s, served as President of the Southern Association for Children under 6, was instrumental in establishing Childcare Center regulations, and was Director of a multi-million dollar Early Childhood and Youth agency; just to name a few of his accomplishments. Malcolm also taught in the Social Work and Sociology departments at the University of Houston. His publications include; Day Care Administration, School Age Daycare, and numerous publications for the United States Children's Bureau.
