Hello. I'm from Ohkay Owingeh Pueblo, formally San Juan Pueblo. My mother is originally from there; however I grew up an "Air Force Brat". My father retired from the Air Force, and we returned to Ohkay Owingeh when I was starting High School. I am married and have a daughter. Before I worked at Sage Cottage I worked in Ojo Caliente at a fireworks factory where we made indoor pyrotechnics. The work slowed down so I found employment at Sage Cottage. I enjoy working here. I started as a floater working in all the rooms and enjoyed the experience of getting to know all the kids. I love working with your children.
